Re: Close-out of BLM case file on Mining Notice UTU-69818 (originally U68-N89-21),  
T25S, R23E (SLM), Sections 25, 26, Grand County, Utah. UDOGM File # S/O19/022

Dear Mr. Adams:

On April 9, 1993, a field inspection of the above-referenced mining notice indicated no land disturbance(s) has taken place. On that same day you requested that our case file on UTU-69818 be closed out. Therefore, you are relieved by the BLM from further reclamation responsibility for Mining Notice UTU-69818, and our case file has subsequently been closed.

Should you have questions, please contact Sal Venticinque of my staff at (801) 259-8193.

Sincerely,

Area Manager
